

KILLIK
HANDCRAFTED RUM

OUR STORY

Born in Belgrave, Victoria, **Killik Handcrafted Rum** is a family run distillery that aims to fill the void of great Australian rum.

We wanted to create products that were not only top tier in quality, but are also the *most unique Australian rum you can find*.

" HIGH ESTER IS THE DIRECTION THE RUM WORLD IS MOVING "

Callan Pratt - Partner, Killik Handcrafted Rum

Our rum utilizes a wild fermentation which leads to a high ester content referred to as "**hogo**" in the rum scene. Killik Handcrafted Rum is the first Australian dedicated rum distillery committed to this traditional Jamaican style of rum production.

The Killik lineup is perfect for creating classic cocktails or enjoyed neat.

KILLIK GOLD

42%ABV

700ML

Killik Gold is our flagship product. Made from the fermentation of molasses, it is a blend of various hand picked barrels in order to achieve a specific flavour profile.

Young high ester stock is blended with older, more mellow casks to ensure Killik Gold's vibrant and bright characteristics.

While this distillate would be considered young in comparison to other rum on the market, it is not just about being 'smooth'. We pack as much flavour as possible into the bottle to deliver the most interesting and complex rum that we can.

TASTING NOTES

The high ester nature results in a super funky Jamaican style distillate loaded with sweet red fruit characters, cherry, strawberry lollies & bubblegum.

KILLIK & HOGO

•

Most Killik Handcrafted Rum products feature prominent hogo characteristics. **Hogo** is what gives Killik its unique, complex & fruity flavour.

Originally a Jamaican style, hogo is an easily identifiable flavour which is the result of wild fermentation. It is commonly characterized by its potent, funky nose and taste. It can be very difficult to define and can vary wildly. In the case of Killik, it is often very fruity with strong aromas of tropical fruit, over-ripe banana, strawberry, and a distinct milkiness.

This is the most unique Australian rum you will find.

Killik Handcrafted Rum is proud to be the first Australian hogo rum distillery.
